Please find below a communication from the EXAMINER in charge of this application.

Commissioner of Patents.

The Information Disclosure Statement filed on December 19, 1994, of the Gema Volstatic MPS Catalog fails to comply with 37 C.F.R. § 1.98(b) because it was not identified by date of publication as required; "DATE UNKNOWN" fails to comply with the requirements of 37 C.F.R. § 1.98(b). The Information Disclosure Statement has been placed in the application file with the non-complying information being considered as to the merits but not being printed on any patent granted upon the application.

The other citations therein have been lined-through because they were previously considered; see Paper No. 8.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Examiner Andrew Pike whose telephone number is (703) 308-3423.

Any inquiry of a general nature or relating to the status of this application should be directed to the Group receptionist whose telephone number is (703) 308-1113.
